**Is Kosher L'Mehadrin for use on Shabbat and Jewish Holidays
According to the Halacha**

**In Shabbat mode all the sensors are deactivated
and the refrigerator operates according to a predetermined program.**

Before Shabbat:

- **To activate Shabbat mode for 30 hours:**

Press the button inside the refrigerator marked Sabbath once.

The display will flash SA b1 for 5 minutes.

After that, the refrigerator will enter Shabbat mode and exit 30 hours later

- **To activate Shabbat mode for 90 hours:**

Press the button inside the refrigerator marked Sabbath once more.

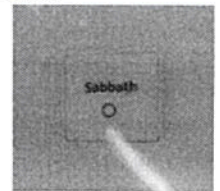

The display will flash SA b2 for 5 minutes.

After that, the refrigerator will enter Shabbat mode and exit 90 hours later

- **Exit Shabbat mode before 30/90 hours**

While the Display is flashing, press the Sabbath button again until the normal display appears.

If the refrigerator is already in Shabbat mode, you can unplug it and reconnect it. The display will flash and then you can exit Shabbat mode.

The certification is valid until Kislev, 5754 - December 2024 only

With blessings of Shabbat Shalom
