SHABBAT APPROVAL

This is to certify that we have inspected the

Classic Kitchen

CK2528

Hot Water Urn

and have found it permitted for use on Shabbat and Yom Tov while abiding by the following guidelines:

- One must fill the urn up before Shabbat and ensure the water is fully boiled prior to Shabbat.
- It is prohibited to take off the cover or add any water on Shabbat.
- No switch may be pressed on Shabbat or Yom Tov.
- To add water on Yom Tov, one must follow the instructions in the manual attached.

This certificate is will expire on 17/5/2026
